CHAPLAINCY Innovation Lab

DIRECTORY

Organizations Employing or Hosting Chaplains in the State of New Jersey
Rev. November 1, 2021

Part of the Chaplaincy Innovation Lab's project "**Caring for Interfaith Caregivers**," sponsored by the **Russell Berrie Foundation**, this directory compiles basic information on all identifiable organizations in the state of New Jersey who either employ spiritual care providers or otherwise allow spiritual care providers to work within them. We offer this directory in the spirit of strengthening the spiritual care community in New Jersey and to encourage individual chaplains and organizations to collaborate in ways that will benefit those they serve.

We welcome revisions and additions to this list; please contact **info@chaplaincyinnovation.org**.
